STATEMENT OF SUBSTANCE OF INTERVIEW

SIR:

A telephonic interview concerning the present application was held on July 31, 2006. The interview included Examiner Shirley Lu and Supervisory Patent Examiner Jeffery Hofsass from the USPTO and Eamon J. Wall, Attorney for Applicant.

Applicant's attorney contacted the Examiners to discuss the Final and Advisory Actions and Applicant's response to the Final Action. Applicant's attorney wishes to thank the Examiners for the courtesies extended during the interview.

During the interview, no exhibits were shown, and no demonstration was conducted.

The Examiners advised that the limitations as argued have been previously addressed in the office action and therefore Applicant's arguments are deemed by the Examiners to be non-persuasive. Clarifying the Advisory Action.

the Examiners confirmed that new issues were not raised, because there were no changes/amendments to the claims. Rather, the only thing filed was essentially a request for reconsideration.

A Notice of Appeal and a Pre-Appeal Brief Request for Review were filed on August 3, 2006. Pursuant to the August 31, 2006 Notice of Panel Decision from Pre-Appeal Review, the application remains under appeal and will proceed to the Board of Patent Appeals and Interferences.

The Commissioner is authorized to charge any fees due, including extension of time and excess claim fees, to counsel's Deposit Account No. 20-0782/SEDN/302.

Respectfully submitted,
